CERTIFIED CAR CARE

A new kind of service plan developed by the engineers who designed this car. This program starts at the factory with emphasis on Quality Control, continues at your dealer's with a Certified Car Care Book that puts service on a schedule. Work is done by specially trained service men and your dealer signs the Certified Car Care Book to verify the job. Ask your dealer for all the details about Certified Car Care.

* taxes, if any, license and title fees, and dealer supplied and installed options and accessories are not included.
